A Correction

Because of an error in transmission from London, a number of prices in ART MARKET's coverage of a sale of Old Master paintings that appeared in the October 1978 issue on Pages 209-212 are incorrect. What seems to have happened is that some of the prices - the most important results - were given to us as pound prices but had already been converted to dollars. As a result, the prices shown were roughly double the actual bids. Following are the lot numbers of prices that were incorrect, with the correct hammer prices in pounds and the correct dollar prices, including the 10 per cent premium:

125. Jan Van Os — £90,000;$180,000.

130. Isack Jansz. Van Ostade — £270,000;$540,000.

131. Philips Aertsz. Koninck — £200,000;$400,000.

138. Annibale Carracci — £260,000;$520,000.

173. Jan Brueghel, The Elder — £68,000;$136,000.

181. Jan Jansz. Van Der Heyden — £190,000;$380,000.

186. Salomon Jacobsz. Van Ruysdael — £120,000;$240,000.

199. Jan Van Huysum — £150,000;$300,000.

202. Jan Van Os — £55,000;$110,000.

217. Pieter Brueghel, The Younger — £260,000;$520,000.

239. Denis Van Alsloot — £60,000;$120,000.

All other prices published in that sale are correct as shown.
